When Will India Hold Elections in Disputed Kashmir?

Four years after India revoked Article 370 of the Indian Constitution — which gave partial autonomy to the disputed state of Jammu and Kashmir — and downsized it into two federally administered territories, the region continues to be without an elected government and is being directly ruled by New Delhi.

Kashmir battles alarming drug addiction crisis

For decades, life in the Himalayan region of Kashmir has been racked by conflict and unrest. Nuclear-armed neighbours India and Pakistan claim it in full but administer only parts of it, and have fought two wars over it. Since 1989, there has also been an insurgency against Indian rule in Kashmir, costing tens of thousands of lives. In 2019, India divided the former state of Jammu and Kashmir into **two federally administered territories**, flaring up tensions further.
