

## Our Picks For the Best Candles on Amazon

By Janine Griffiths

One of the easiest ways to instantly create a relaxing and calming ambiance at home is by using candles. We love how candles can make an interior space feel cozier. But with so many different types and styles of candles to choose from, it's difficult to decide which ones will work best for you. No worries! We have prepared a selection of the **best candles on Amazon**. That's right – on Amazon! That means you can order your favorite candles from home, and have them delivered within a day or two.

We have selected a wide variety of candles for our top ten list of best candles from Amazon, from luxury candles to more budget-friendly options. We made sure to include a little of everything, so you can pick the ones with fragrances you prefer that also match your home's decor.

We've done the work for you by searching for the best candles on Amazon, making it easy for you to create your own haven at home. Our list of our favorites includes candles that will not only add ambiance, but also warmth and style, to your home. We are confident that our choices will make lovely additions to your decor!

You will certainly be tempted to pick more than one! You can buy them for yourself, but they also make great gift options for someone who would appreciate creating serenity in their home too.

We chose our favorite candles from Amazon for their fragrance as well as for their ability to help you create a beautiful home decor display throughout your home (vignettes). Check out our top ten selection.

### Top Ten Best Candles on Amazon

#### Jonathan Adler Women's Muse Bouche

We chose this charming scented candle from Jonathan Adler for its fanciful design: a white ceramic base with textural raised lips. This soy wax candle will burn for 60 hours!

### **Diptyque Baies Scented Candle**

A candle from Diptyque always makes our list of best candles from Amazon! The handsomely designed porcelain container featuring the famous Diptyque logo holds a three-wick candle with a delightful berry scent.

## RITUALS Home Decor Scented Candle

We chose this aromatherapy candle from Rituals for its restorative Sakura cherry tree and rice milk scent and its good looks. This candle invites you to enjoy the ancient Japanese Hanami ceremony to celebrate the beauty of the Sakura blossom.

## **Voluspa Forbidden Fig Candle**

This forbidden fig candle in a glass jar has an exotic scent crafted from a mixture of ripened figs, musk and midnight rose. Not only does it burn for 100 hours, it's also made from vegan clean-burning ingredients.

### Apricot Tea Scented Classic Candle

This stylish candle from Nest features an autumnal blend of wild plum, cinnamon, patchouli leaf and cashmere wood. It's available in a decorative luxury glass container with a choice of 20 different colors to match your decor.

## **Pine Candle, Scented Candles for Home**

It's hard to believe this luxury pine-scented candle that comes in a sophisticated black jar is so incredibly well-priced. It is elegantly packaged, making it a great gift for someone you love.

## **LA JOLIE MUSE Scented Candles**

This aromatherapy candle in a jar features a delightful woody leather scent. This large wax candle will burn for 100 hours.

### **Calyan Wax Scented Candle**

For those who love the beach, this double-wick aromatherapy in a glass jar is a great choice. Its refreshing blend of sea mist, mandarin and verbena infused with citrusy cedarwood will bring instant calm, just like being at the seashore.

## Luxury Scented Soy Jar Candle

For a no frills, well-priced candle, we recommend the slow burning Soy Jar candle from Lulu Candles. You'll love its fresh linen aroma and the simple glass jar it comes in.

## **Acqua Di Parma Scented Candle**

For a bit of a splurge, go for this luxurious myrtle-scented Acqua Di Parma candle. Beautifully packaged, it also makes a great gift.
