Dear valued client,

We have some exciting news to share with you! Effective January 6th, we've moved to
52 Highland Street in Worcester.

When a business has passed the 35-year mark, it's not surprising to find it experiencing some growing pains.

Back in 1989 when my father started Zawada Insurance in Worcester, he found an office on Millbury Street that offered the space for what we needed – a location where people could stop in with questions or payments, where many of our first clients lived nearby.

While today we handle most of our business online, after more than 35 years, we found that we needed more room to grow and serve you better. Our staff has expanded, our residential and commercial product offerings have increased, and yes, we needed more parking.

But while we may be in a new neighborhood, we remain committed to treating every client with the respect and professional attitude you expect. The core values of our family's independent insurance agency remain the same: *Efficiency, Clarity & Honesty.*

Our phone number and website haven't changed. We've only moved two miles, but this move represents a significant milestone in our company's history. From all of us at Zawada Insurance, thank you for traveling on this journey with us. We look forward to welcoming you to our new home.

Sincerely,

Andrew J. Zawada
President
