

ABOUT GARGOYLE WINE CLUB

Gargoyle Wine Club is a Canadian wine subscription-based service, with an altruistic twist.

Gargoyle started when a team of top sommeliers came together with the goal of democratizing wine. Their belief is that wine shouldn't be complicated, snobby or overwhelming. It should be inclusive, and fun!

HOW IT WORKS

The team at Gargoyle is your personal sommelier team! No pretension. Nothing snobby. Just great wine. Each month, Gargoyle's sommelier team searches through wines from around the globe looking for the perfect combination of quality, and value. If they don't love it, you're not getting it.

Members simply need to choose a subscription and they do the rest, so members can sit back and enjoy from the comfort of their own home.

Access to safe drinking water is one of the biggest crises we face on this earth, so Gargoyle has launched the **Drink Better Initiative** in Collaboration with Water.org. Every bottle a Gargoyle member purchases from Gargoyle gives one person one full access to clean, safe water for one year.

To date, Gargoyle members have given over **170,000+** people a full year of access to clean, safe water.
