Summer Hosting at Home

Too hot outside? Gather the gang inside and extend the party, no matter the weather. No sunscreen or bug spray required! Stress-free summer hosting is as easy as one, two, three (and four).

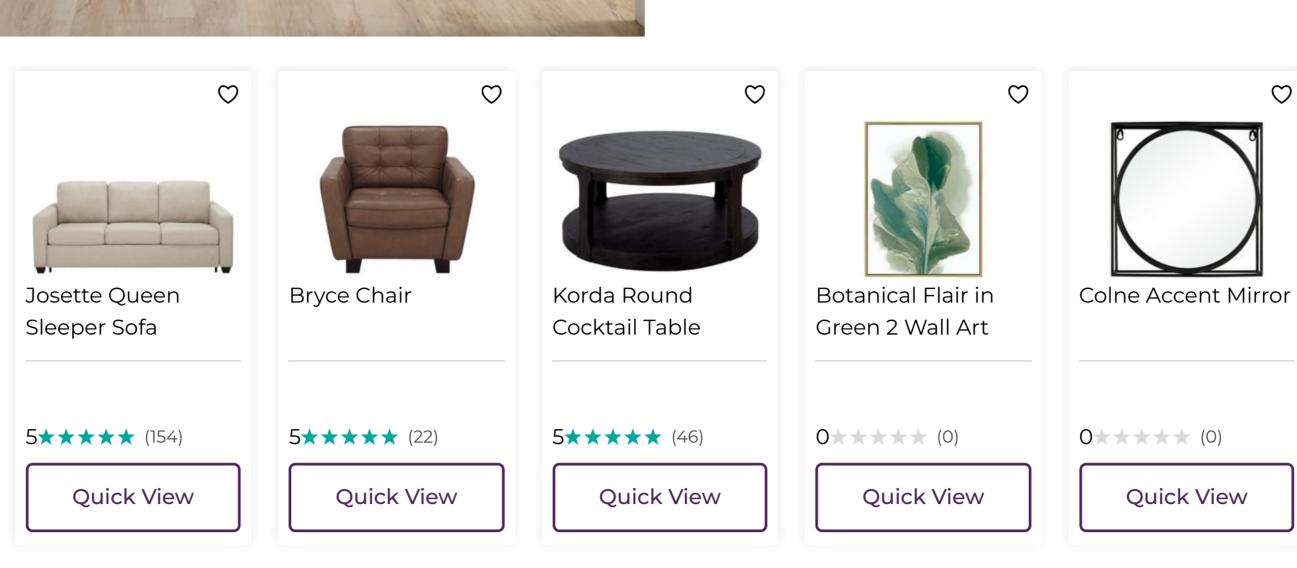

1. Ready the living room

DECOR & LIGHTING BABY & KIDS OUTLET SALE

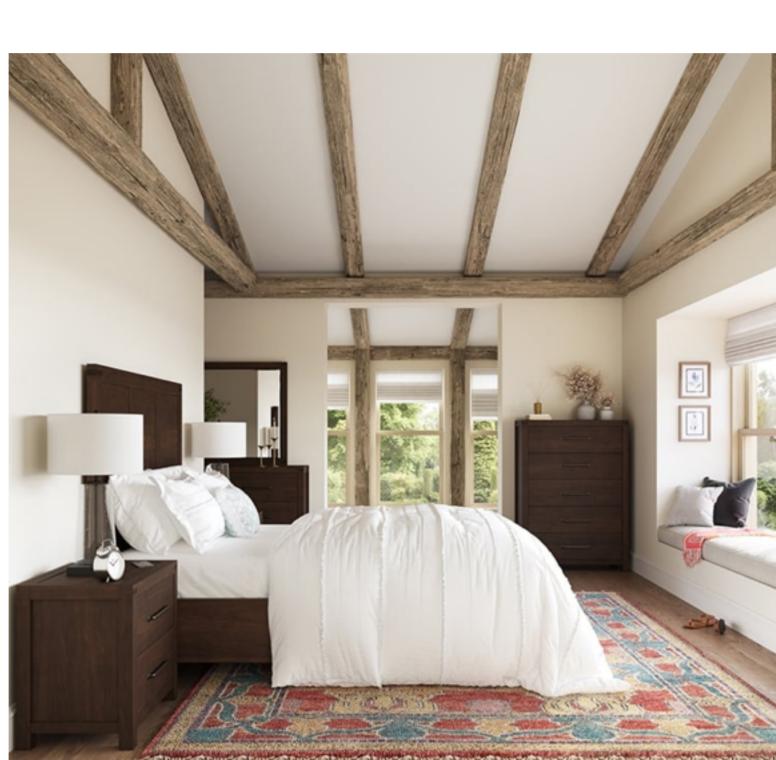

We know guests gravitate to the kitchen but show the living room some love with sofas, sectionals, and accent chairs, which you can rearrange to accommodate a crowd. Today's pieces come in a variety of upholstery options, including family- and pet-friendly performance fabrics. Serve food and drinks on cocktail tables, buffets, and ottomans for easy access.

2. Refresh the guest room/bedroom

Give guests a comfy place to stay. Time for a mattress upgrade? Don't forget the pillows! For smaller rooms, a daybed is a great choice. Storage space is always top of mind for travelers, so opt for a nightstand or dresser with roomy drawers. Add a TV console and chaise and they'll feel right at home in their home-away-from-home.

3. Spruce up the bathroom

Declutter the space and fill a basket with special soaps, towels, and candles to create that luxurious spa-like ambiance. A beautiful vanity with counter space and storage is always appreciated. Complete the look with a plush rug beneath their feet.

4. Host brunch in the kitchen nook

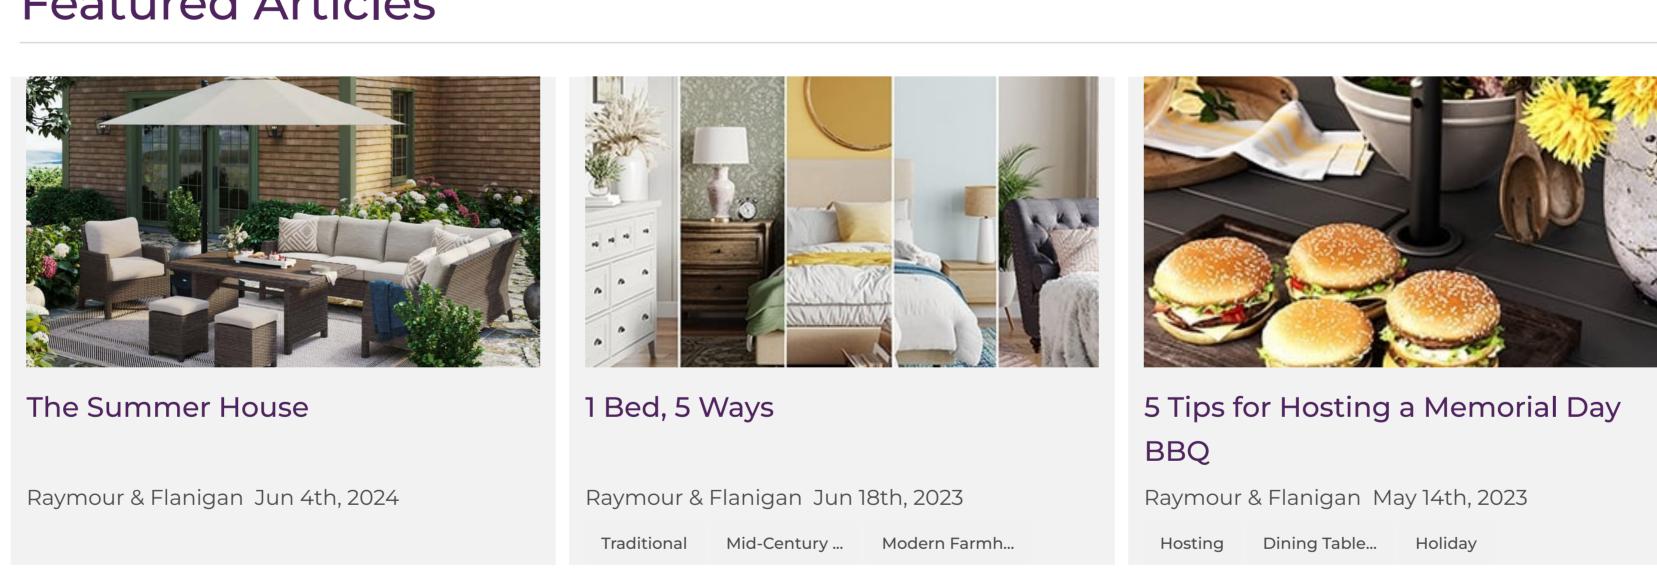

Start a new tradition with a breakfast buffet. Kitchen islands, buffets, and even bar carts provide the perfect setup so guests can serve themselves. Bar stools and benches offer extra seating options. For an afternoon event, an ice cream social is a cool idea for all ages.
