Dear Valued Associate,

Today we're celebrating Neil Goldberg, our "head coach," on his induction into the Home Furnishings Hall of Fame! This honor is given to industry leaders who have helped shape the design and business of home furnishings over the course of their career.

Watch this short video to learn more about Neil and how the Goldberg family have grown the business from humble beginnings to the largest furniture and mattress retailer in the Northeast and seventh-largest nationwide.

Congratulations!
Raymour & Flanigan
