Make Your Own Dream House!

Raymour & Flanigan / Jul 10th, 2023

Design your dream house!

Pink is so hot now, it's cool! Create your own dream house with pastel pieces that are perfect for your home. Casual with cues to nostalgia, people are buzzing over bubblegum hues. Whether bright or more subdued, pink is the 'it' color of the season. Catch the wave and bring this beach-inspired style into your space.

Chic Storage

Chloe Storage Bench

Cozy up with the Barbie or Ken in your life on the Chloe Storage Bench. Perfectly pink velvet upholstery is accented by a luminous gold for a gorgeous glam appeal. Place this oh-so-soft seating piece in your dreamhouse as extra seating, in an entryway or at the foot of your bed.

Chloe Storage Bench

Cozy up with the Barbie or Ken in your life on the Chloe Storage Bench. Perfectly pink velvet upholstery is accented by a luminous gold for a gorgeous glam appeal. Place this oh-so-soft seating piece in your dreamhouse as extra seating, in an entryway or at the foot of your bed.

Tilda Throw

No dream house is complete without the buttery soft Tilda Throw. Drape this over your favorite chair for curl-up appeal. You'll be channeling pretty in pink vibes cradled in a luxuriously textured fabric hug, complete with fabulous fringe for all the feels.

Novogratz Pink Metal Contemporary Vase

Playful in pink, the Novogratz Collection Contemporary Vase Set adds a pop of soft color to your table or bookshelf in an instant. With or without flowers, the retro vibes are strong on these charming, Barbiecore-style-inspired pieces.
