EXPERIENCE

FRONT DESK ASSISTANT FLORIDA ATLANTIC UNIVERSITY June 2023 - Present

Boca Raton, FL

- Assist in professional office coverage: Welcome students and guests, Answer phone calls, and document/direct messages appropriately.
- Maintain ongoing projects and goals provided by a supervisor
- Focus on actively engaging undergraduate students living on and off campus to use academic support resources.

INTERNSHIP CREATIVE DIRECTOR FLICKHOUSE STUDIOS January 2024 - March 2024

Miami, FL

- Utilized internet research to identify optimal props for commercial projects, demonstrating resourcefulness and attention to detail.
- Created comprehensive storyboards to visualize project setups, facilitating effective communication with team members across departments.
- Leveraged social media platforms to source background actors/extras, showcasing proficiency in online networking and talent acquisition.

CUSTOMER SERVICE AGENT INTERCRUISES

June 2022 - August 2022

- Built and maintained a positive rapport with individuals from all walks of life including social, bilingual, and economic backgrounds.
- Handled confidential paperwork and provided excellent customer service by creating a warm welcoming environment..
- Provided high-level customer service and employee morale levels by giving tailored support to each guest remaining a professional attitude.

INVOLVEMENT

FAU School of Communication and Media Student Advisory Board: Spring 2022

Collaborate with a group of colleagues from across the School of Communication and Multimedia Studies to inform and advance decisions and opportunities for the University, programs, students, and communities.

FAU School of Communication and Media Industry Experience Trip: December 2023

Orlando, FL

Attended a three-day trip hosted by FAU School of Communication and Multimedia Studies that allowed students like myself to visit Electronic Arts, Vu Technologies, and more. This trip fostered networking, mentorship, and exploration of opportunities in Orlando that our field has to offer.

EDUCATION

BACHELOR OF ARTS IN MULTIMEDIA STUDIES: FILM, VIDEO, AND NEW MEDIA

Florida Atlantic University, Boca Raton, FL

Graduation: December 2024

COURSEWORK

Video Game Studies

Completed and presented four projects that related to analyzing video games as interactive art and written self-motivated research involving playing my favorite video games titles i.e., God of War (2018) and Detroit: Become Human (2018).

Scriptwriting

Created three original scripts and collaborated on one with a group that was chosen to be produced by an TV production class.

Interactive Digital Media

Learned level design, programming and coding over the course of three months making my on video game using Unreal Engine.

PROJECTS

Escape Mt. Olympus

This game falls into the action role-playing genre from a third-person view. Players take control of a human who was mysteriously spirited away to the land of the Greek Gods. The game challenges the player to unravel the mystery of their arrival.
