

Exam about your dead brother

1. When did your brother die?

- (A) He died when he was 15, when he first snuck some alcohol.
- (B) He died when he was 18, when he ran away from home.
- (C) He died when he was 23, when he yelled at the specialist that he'd never go to rehab.
- ☒ He died when he was 29, at 3:28am two weeks ago in the ambulance to the hospital.

2. How did your brother die?

- (A) He died when he was born, and emotional stillborn.
- (B) He died when he gave up on his future and could only see the present.
- (C) He died when he started self-sabotaging, just trying to get to the end quicker.
- ☒ He died from alcohol poisoning after an overdose, the paramedics couldn't save him.

3. When did you lose faith in him?

- (A) When you were born, because you never had faith in him.
- (B) When you were a kid, because he forgot to pick you up, and you couldn't rely on him.
- (C) When you were a teen, because he lied about not having alcohol in his apartment.
- ☒ When he died, you always believed he could be better.

4. Did you love him?

- (A) I did, I might have.
- (B) I did, when we were kids, but he changed.
- (C) I did, but he's dead and I can't love a corpse.
- ☒ I DO, just because he's gone doesn't mean I don't love him.

5. Why do you love him?

- (A) He was my brother.
- (B) He was my favorite person.
- (C) He was my caretaker, always so close to saving.
- ☒ Because he always loved me, even when he didn't love himself.
