Dear Mr. Sparos,

It is with deep humility and gratitude that we thank you for your charitable donation of \$20,000 to Greenpoint Gallery. Your previous donation was essential to the gallery's survival over the course of the last year, allowing Greenpoint Gallery's doors to remain open to artists of a wide variety of disciplines. Your support of Greenpoint Gallery has enabled this institution to not only serve as a vibrant hub for emerging artists to create, share, and exhibit their craft, but also to drive change within the New York art world by making arts education and exhibition opportunities affordable for diverse populations and underserved communities of all ages. This year, thanks to your generous donation, Greenpoint Gallery is continuing to expand its offerings and, subsequently, its impact.

This year's donation will be allocated toward utilities for the space, essential structural repairs in the gallery, studio areas, and residency quarters, and adapting the business model to thrive in the climate of the modern gallery industry. Our focus will be on expanding Greenpoint Gallery's online presence in the form of updates to the website, social media communications, and venue rental advertising, as well as increasing our capacity for grant research and applications and hiring skilled labor to ensure we utilize the Greenpoint Gallery space and equipment to its fullest potential. In addition, there will be an emphasis on promoting vendors and classes this year at Greenpoint Gallery.

When financial stability is uncertain, it becomes challenging for a nonprofit to think about and plan for growth. The priority becomes sustaining and surviving rather than improving. The trust you've placed in Greenpoint Gallery emboldens us to continue to expand the possibilities of what Greenpoint Gallery can be and establish a legacy that will create positive change in the lives and artistic practices of our community members for many years to come.

With gratitude,

The Greenpoint Gallery
