

SUPPORT SCHOOLS AND GROW YOUR BUSINESS WITH [REDACTED]

Connecting business and schools

Imagine your business featured on carpool pick-up tags, weekly take-home folders, calendar magnets, and more! [REDACTED] connects your brand with local schools, helping you reach targeted families and communities that align with your marketing goals.

By sponsoring custom school supplies, your business gains year-round visibility among students, their families, and school staff—while schools benefit from free resources.

Why [REDACTED]?

- **Turnkey Solution:** [REDACTED] streamlines the school marketing process for our clients. We manage everything—from identifying target schools and building strong relationships to printing products and ensuring on-time delivery. Focus on what matters most and leave the rest to us.
- **Strategic Reach & Brand Visibility:** When you partner with [REDACTED], you gain access to a targeted network of schools and families in your community--AND visibility for 9.5 months!
- **Community Impact:** When businesses support schools, they establish strong relationships with parents, teachers, and students, building loyalty and trust in their brand.

"They expanded our reach into 14 new states and 240+ new schools. A partnership with [REDACTED] is a win-win."
