ACADEMIC PROJECTS

2D ANIMATOR & TECH

Evil Eye

Sep 2023 – Dec 2023

2D Animated Student Short Film | 12 person team

- Animated multiple shots for the final film including rough animation and cleanup
- Animated 2 shots for a Proof-of-Concept sequence to test the pipeline for the film
- Worked in Harmony for rough animation, and cleanup
- Created a pipeline for compositing in Adobe After Effects to be used by the entire team

2D ANIMATOR & STORYBOARD ARTIST

Fur & Feather Flock Together

Jan 2023 – Apr 2023

2D Animated 30 second Student Short Film | 9 person team

- Worked on rough animation and cleanup in Harmony for character animation
- Assigned animation scenes to team members and gave feedback on in-progress work to unify the style of the film
- Created and timed an animatic for the film in Storyboard Pro, working alongside environment crew members to properly represent the space of the story setting

EXPERIENCE

PRJ 350 – 2D ANI SPECIALIST TA

Jan 2025 – Apr 2025

- Assist students with their second semester film project and provide critique on animation. Additionally work with students and provide insight on how Harmony can be used to its full extent

DANCE ASSISTANT & TEACHER

Sep 2020 – May 2021

- Assisted Lead Dance Instructor with Ballet and Jazz classes with students from ages 3 to 18, demonstrating proper technique. Helped students learn to create art through movement
