## WORK EXPERIENCE

Pencilish Animation Studios

VFX Department

Worked in Harmony completing cleanup animation for VFX and tones for multiple shots in the animated proof of concept pitch for "My Hero"

Remote / August - September 2025

DigiPen Institute of Technology

2D Animation Specialist TA

Assisted students with their second semester film project and provided critique on animation. Additionally worked with students and provided insight on Harmony

On-Campus / January - April 2025

## PROJECTS

Evil Eye

2D Animator & Tech Lead

Animated for the final film doing rough animation and cleanup, and animated 2 shots for the Proof of Concept pitch. Created the film's compositing pipeline utilizing After Effects, and created in-depth documentation as a guide

September 2023 - December 2024
