PROJECT 2022

- Provide in-depth insight into Minangkabau culture to students, enhancing their appreciation and understanding through a variety of specially designed activities.
- Managed 25 programm with budgets between Rp 80 juta - Rp 85 juta, achieving a 95% completion rate on time and within budget. each activity, meticulously planned and assessed, empowered students to enact positive change within their communities, promoting social cohesion and responsibility.

PROJECT 2023

- Empowering Community Program at Andalas University KKN in West Sikapak Village, for approximately 40 days I helped facilitate mathematics and English learning in 3 elementary schools and 1 junior high school, this is part of our main program while serving there
- I as the secretary and coordinator of the KKN group of your university are West Attitudeak Village has the responsibility to ensure that every agenda and work program runs well, as well as conducting periodic evaluations together

PROJECT 2024

- Together with our friends, we established a reading community in Padang City, with my role as a facilitator of activities. This initiative reflects our passion, the young generation of Padang City, to increase the literacy rate in the region. This program also aims to increase the awareness of the people of Padang City about the importance of literacy and wise use of the environment and public facilities.
- From this book club, we formed a reading community, focusing on children's literacy in orphanages and communities lacking access to reading. The "1000 Reading Corners" program with @bukubacarito has started since January 2024, with support from Yudistira book publisher. Until now, 6 reading corners have been built. I am part of the core team, especially as a project executor
