Dear Ms. Shadowens,

On behalf of the City of Plano's Multicultural Outreach Roundtable (MCOR), please accept my sincere appreciation and deep-felt thanks for your time and the information you had provided for our Citizenship Workshop. Your presentation in Spanish, about the services that the Plano Library System provides to our immigrant community during the Spanish Session, and the questions you helped answer benefitted our Immigrant Community Members. This will prove valuable in their journey toward Citizenship.

This event was held virtually for the very first time via Zoom because of Covid-19 and the unusual times we are in. The number of the registrants for this workshop was beyond our expectations and was as follows:

English Session: 262 (actual attendees: 117)
Spanish Session: 86 (actual attendees: 34)

The success of this virtual Citizenship Workshop was made possible only because of the assistance and support provided by the attorneys such as you. We appreciate and value your loyal and continued support.

Best Regards,

Shaheen Salam
