

The modern way to test prep.

scorebeyond

ScoreBeyond's goal is to help students and parents find the right test prep plan to reach their target score.

Based on the student's strengths and weaknesses, we generate customized lessons and practice problems that target the areas where the greatest score improvements can be made.

Study anywhere with SAT Up and ACT Up

4.5 stars from
2,000+ ratings

You can take SAT Up & ACT Up wherever you go! By answering questions in the daily workouts, you'll maximize long-term learning!

4.5 stars from
10,000+ ratings

Set the plan

A learner doesn't waste time trying to navigate the course, but instead spends their time learning.

Watch scores improve

Get instant progress updates on your Parent Dashboard, as your student improves with our adaptive model.

Ace the test, guaranteed

Get your target score on test day, or we will refund your whole investment.
