Dear Future Employer,

I am writing to offer my enthusiastic recommendation for Mackenzie Grizzard, who interned with Modern Texas Living during the spring 2025. From day one, Mackenzie consistently impressed me with her talent and professionalism.

Her keen eye for design and thoughtful approach to content creation made an immediate and lasting impact on our team. Whether she was crafting editorial pieces, coordinating social media, or assisting with photoshoots, she handled every task with skill and care.

One of Mackenzie's most notable strengths is her ability to juggle multiple projects at once, always with an upbeat attitude and a collaborative spirit. She is a true team player who brings positive energy to every interaction.

In short, Mackenzie has the intelligence, creativity, and work ethic to thrive in any role she pursues. I recommend her without hesitation.

Please feel free to reach out if you'd like more insight into Mackenzie's work with us, I'd be happy to share more.

Sincerely,

Ashley Munn
