

Demi Caddy, Journalist, researcher & filmmaker.

NP115FA, NEWPORT, WALES · demicaddy@aol.co.uk · 07311820097

PROFILE

I am young, energetic and inquisitive with a passion for journalism, writing and creating media content that is both informative and engaging. I am educated on news values and understand the importance of accurate, ethical and informative journalism. Having recently completed a master's degree in Digital Documentaries, I have put my theoretical knowledge into practice and gained real-life experience. This endeavour allowed me to develop my journalistic skills and independently create multiple short documentary films on a variety of subjects.
