

# JAMIE SHEPHERD

## Journalist

---

As a passionate journalist, it is my goal to further my skills in the industry and continue producing content that resonates with my audience. My skills vary across written and visual content, and I am committed to capturing invigorating stories across the entertainment industry. I have an eye for design and detail, and ensure that the work I do has unique flair suited to the content.

You can visit my portfolio (linked) to check out my work.
