KEY SKILLS

- *Feature writing skills*
I have written several articles on topics like social issues, entertainment news and community engagement that have been chosen to feature on the Standard's news website.
- *Videography and editing skills*
I have produced several television news packages whilst working effectively with cameras and editing software.
- *Interviewing Skills*
My studies have allowed me to gain valuable experience in preparing and conducting interviews with a variety of different people in professional industries as well as normal everyday people on the street.
- *Team player*
I have completed a number of collaborative college projects and assignments related to journalism and business to a high standard.
- *Time management*
I have demonstrated the ability to effectively balance my degree requirements with my intense soccer schedule.
