Expedition Odyssey Fire & Ice to Open May 25 at SeaWorld Orlando — A First-of-Its-Kind Arctic Adventure

WHAT: Get ready to take on the ultimate Arctic mission as you experience the brand-new Expedition Odyssey Fire & Ice starting May 25 at SeaWorld Orlando. The adventure begins as soon as guests step into a fully immersive Arctic research station, where they pass through a refurbished hangar and active research station brought to life by the tools, technology, and stories of those who venture into one of the most extreme environments on Earth. Once guests reach the heart of the research station, they will be briefed by a research scientist highlighting the powerful natural forces of Fire and Ice, then board a prototype research drone craft.

This immersive and breathtaking attraction will take guests on a journey through one of the most extreme environments on Earth as they ascend above volcanoes, glide over glaciers and plunge into the deep, getting up close to Arctic animals – all brought to life through dynamic environments and a state-of-the-art ride system designed to blur the line between simulation and reality.

Every detail of this attraction has been designed to be authentic and visually compelling, offering guests a transportive experience that reinforces SeaWorld Orlando's commitment to delivering new, innovative experiences that also educate guests about conservation and caring for the planet.

SeaWorld Pass Members can be among the first to experience the attraction.

- Platinum Pass Members: Saturday, May 23 – 3pm - park close
- Platinum and Gold Pass Members: Sunday, May 24 – 10am - park close
- Platinum, Gold, Silver & Bronze Pass Members: Monday, May 25 – 10am – 2pm
- Grand Opening: Monday, May 25 - starting at 2pm

WHEN: May 25, 2026

WHERE: SeaWorld Orlando
7007 SeaWorld Drive, Orlando, FL 32821

ABOUT: SeaWorld is a leading marine life theme park and accredited zoo and aquarium that provides experiences that matter while educating and inspiring guests of all ages to care about marine life. Welcoming millions of guests every year, the parks offer fun and enriching experiences from up-close animal encounters and year-round educational programs to award-winning marine-life-themed rides and attractions, special events, and exciting entertainment. For more than 60 years SeaWorld has advanced the conservation of marine life in and outside its parks through science, education, and exceptional animal care that is Humane Certified by American Humane and accredited by the Alliance of Marine Mammal Parks and Aquariums and the Association of Zoos and Aquariums. SeaWorld is one of the largest marine animal rescue organizations in the world, helping more than 42,000 animals to date. The [SeaWorld Conservation Fund](#), a non-profit foundation established in 2003, has provided more than \$20 million to nearly 1,400 organizations to advance critical research on every continent. A portion of park proceeds goes toward supporting these longstanding conservation commitments. SeaWorld parks are in Orlando, San Antonio, San Diego, and Abu Dhabi, United Arab Emirates (UAE). SeaWorld is part of the United Parks & Resorts Inc. (NYSE:PRKS) portfolio of theme park brands. For more information, visit us at [SeaWorld.com](#).
