A green comet likely is breaking apart and won't be visible to the naked eye

NEW YORK (AP) — A newly discovered green comet tracked by telescopes has likely broken apart as it swung by the sun, dashing hopes of a naked-eye spectacle. Comet SWAN, hailing from the Oort Cloud beyond Pluto, has been visible through telescopes and binoculars over the past few weeks with its streaming tail, but experts said it may not have survived its recent trip past the sun and is fading fast.

The ribbon cutting ceremony for Hot Asian Buns.

By Matt Machado  
Herald Intern

Hot Asian Buns opened a brick-and-mortar location following its food truck success.

On Thursday, owners Jimmy Nguyen and Chau Vo celebrated the grand opening of their restaurant in downtown Sanford. Surrounded by friends and customers, the family held a ribbon-cutting ceremony to mark a new chapter in their lives.

“After seven years of doing a food truck,” Vo said, “we decided that our next step would be opening a brick-and-mortar.”

Located next door to the well-known West End Trading Co. bar, Hot Asian Buns is where their fans wanted them most.

“We chose Sanford due to the amount of people that came out to our food truck when we were here,” Vo said. “Every time we were parked here, there would be lines and lines of people.”

The restaurant menu includes all items available on the food truck so customers can look forward to fan favorites.

“If anything,” Vo said, “we’ll add to our current menu.”

The couple still owns the food truck and plans to use it for catering and special street events.

This sweet, spunky 3-year-old pup has been patiently waiting for her forever family, and she's more than ready to meet them. Jellybean is full of life and love. She's playful, affectionate, and always eager to make new friends, whether they walk on two legs or four. She does great with other dogs and loves to play. She has also been around young children and has proven to do very well. With her fun personality and easygoing nature, Jellybean would be a perfect fit for families, couples, or even a solo adopter looking for a loyal companion to go on adventures with. She's also completely ready to go home! Jellybean is spayed, microchipped, heartworm negative, and fully up to date on all her vaccinations, so she can head home the very same day she is adopted! If you'd like to meet Jellybean, come visit her at Seminole County Animal Services, located at 232 Eslinger Way in Sanford. Adoption hours are Monday through Friday from 12 to 6, and Saturdays from 10 to 4. That is not the end of the story, however. In 2016, the United States Supreme Court found Florida's death penalty sentencing statute unconstitutional under the Sixth Amendment in *Hurst v. Florida*. This required any death penalty sentence to be unanimous, which Victorino and Hunter's was not. Anyone sentenced after 2002 was eligible for a new sentence.

Their resentencing trial was initially scheduled for 2023, but changes in the state's death penalty which requires an 8-4 jury vote as opposed to a unanimous one resulted in the judge declaring a mistrial. Now jury selection for the pair's resentencing trial began Monday, April 21. They will once again face the possibility of the jury determine that a death sentence is appropriate.

Vo said the journey toward restaurant ownership started long ago: "Inspiration came about seven years ago," she said. "Jimmy has always been in the culinary background. He went to culinary school and worked for great restaurants in downtown Orlando. We wanted to have something of our own, and we figured a food truck would be best because of the start-up cost."

After three years of planning, Hot Asian Buns has a home, and Vo is excited about the future. "We always want to put our experience in the customer's eyes," she said. "We always think, 'What would the customers want?' Providing really well-made, quality food is our goal."

## Rose Thompson - Galileo School for Gifted Learning Student shares Poem - The Forest

Rose Thompson is a third grade student at Galileo School for Gifted Learning. She is very creative. She loves to read and write. She is very imaginative. She loves to explore outdoors to find inspiration for her poetry.

### The Forest

In a place where row boats don't go  
Evergreens and oak will grow.

The birds chirp and the snails squirt their ooze.  
Plants live and roam.

Down in a creek or pond fish splash and splash.  
Bonfires turn to ash.

There are trees everywhere and animals with hair.  
Hikers look at their trail guides to see nature before their very eyes in the gorgeous awesome forest.

A GLANCE AROUND TOWN AND COUNTY

## City of Oviedo to Celebrate 100 Years with Grand Centennial Festival

Special to the Herald

The City of Oviedo is proud to celebrate 100 years of incorporation in Florida with a grand Centennial Celebration on Saturday, April 26, at Center Lake Park from 3 to 9:30 p.m.. This free exciting event will take visitors on a journey through time, highlighting Oviedo's rich history and vibrant community spirit.

Guests can step into the past with "A Walk Through Time" inside the Oviedo Cultural Center, where the Oviedo Historical Society

will showcase artifacts and photographs dating back to the city's early days. From its roots in orange and celery farming to its formal incorporation in 1925 with just 800 residents, Oviedo's story began after the Civil War when homesteaders settled along the shores of Lake Jesup.

"We are thrilled to celebrate 100 years of being a city," said City Manager Bryan Cobb. "Oviedo has grown tremendously over the decades, especially in the 1980s, and remains a place where families and businesses thrive. Our community truly embodies our motto: Family Community, Endless Opportunity."

The six-hour festival will feature an array of exciting activities, including:

- A 1970s-Themed Carnival – Free family-friendly games and attractions.
- Live Music Through the Decades – From golden oldies to today's hits.
- Drinks Through the Decades – A selection of ten themed beverages (21+).
- Themed Vendors & Entertainment – Vendors dressed in styles from different eras.
- Slide Shows Displays - photos from contributors showing throughout the park and a 100 Years of Oviedo video display on an eight-foot video wall
- Fireworks & Laser Light Show – A spectacular finale starting at 9:30 p.m.

The media is welcome to attend. For more information, please contact Communications Manager Lisa McDonald at [lmcdonald@city-ofoviedo.net](mailto:lmcdonald@city-ofoviedo.net) or call/text 689-710-4568.

Join us as we honor Oviedo's past, celebrate its present, and look forward to its future.

## Irving Locker - D-day, Battle of the Bulge and Concentration Camp Liberation

Contributed from: Album entitled "Nazi War Atrocities."

Top left: Photo of Irving. Top right: German civilians of Gardelegen prepare to march with wooden crosses from military government office to the concentration camp a mile distant where they were ordered to inter the bodies of the camp's victims. Bottom left: D-day.

Contributed by Rabbi Yaakov Y Majesky

Irving Locker, a name synonymous with courage and resilience, was one of the 156,000 soldiers who stormed the beaches of Normandy on June 6, 1944, landing at Utah Beach. Just six months later, Locker, at the age of 19, had already risen to the rank of Staff Sergeant with the 116th AAA Gun Battalion of the 1st Army's 7th Corps.

In the bitter winter of 1944-1945, Locker found himself in the harsh conditions of the Ardennes Forest, where he would take part in the legendary Battle of the Bulge. Surrounded on three sides, without food, ammunition, or supplies, he faced unimaginable challenges. "When we went into the Battle of the Bulge, they had us surrounded on three sides. We didn't have ammunition, food, or anything. I had to send my own sergeant into our own mortuaries where our own dead people were and take the boots and clothing off of them to bring back," Locker recalled.

But it wasn't just the battlefield that would leave a lasting impact on Locker. He was among the soldiers who helped liberate the Gardelegen Concentration Camp, about 100 miles west of Berlin. The horrors he witnessed there would stay with him for the rest of his life.

As Locker's unit reached Berlin, a symbolic moment occurred. He took a swastika flag from a wall and had some of his comrades sign it. This flag remains one of the many mementos he holds from his time in the war.

After the war, Locker returned home and

built a life with his sweetheart, Bernice. Yet, he couldn't forget the history he had lived through, nor the importance of passing it on. For over eight decades, Locker has shared his story, giving PowerPoint presentations and speaking at events everywhere—from elementary schools to the White House. He has made numerous YouTube videos, always ensuring that the memories of the war and the Holocaust are preserved for future generations. He even returned to Normandy to commemorate the 70th and 75th anniversaries of D-Day.

"Too many people have no idea what we experienced," Locker said. "It's important to me that this story is told after I'm gone, so people don't forget."

Despite his extraordinary experiences, Locker maintains a humble and humorous attitude. Standing at just 5'2", when asked how he survived the war, Locker responded with a smile, "I stood behind a tall guy."

On Wednesday, April 30 at 7:30 p.m., Chabad of North Orlando is honored to host Irving Locker in Nate's Shul 1701 Markham Woods Road in Longwood, for a special presentation of his remarkable journey. This event is an opportunity to hear firsthand from a true hero who has spent his life ensuring that the sacrifices of the greatest generation are never forgotten.

Don't miss this chance to hear his story—an unforgettable testament to bravery, survival, and the importance of remembering our past. RSVP and more information [www.JewishNorthOrlando.com/Lecture](http://www.JewishNorthOrlando.com/Lecture) or 407-636-5994

## A Love Letter to Sanford: Where the Journey Began

By Lin Green

The first time I laid eyes on Sanford, I felt as though I had stepped into the pages of a storybook. Driving off the interstate and onto its local roads, I was immediately drawn to the charm of this quaint little town. The historic homes, with their wraparound porches and grand presence, reminded me of scenes from My Girl—a realization that later made perfect sense when I discovered the movie had been filmed here. Details I share in my memoir, Enough with the Secrets Mama! But beyond its picturesque streets and rich history, there was something else—something intangible yet deeply felt. A sense of belonging. A sense of purpose.

I came to Sanford with a mission: to serve the juvenile population as a case manager for the Department of Juvenile Justice. It was an opportunity that excited me, not just because of the work itself, but because of what I saw in this community—a deep-rooted commitment to its youth. From the very beginning, I met those born and raised here, people who shared the same passion I did, and turned best of friends until this day. They, too, be-

lieved in building up the dreams of young people, in creating pathways to success where roadblocks once stood.

As I settled into my role, I quickly realized the potential within the community. There were so many possibilities for programs that could uplift children and families, providing them with the support and resources they needed to thrive. I saw the impact that collaboration could have, how a shared vision could create meaningful change. This was more than just a job—it was the start of something bigger. Sanford welcomed me with open arms, and in return, I dedicated myself to its children and families. That commitment has only grown over the years, evolving into a lifelong mission of advocacy and community building. This town, with its undeniable charm and resilient spirit, became the foundation for the work I continue to do today.

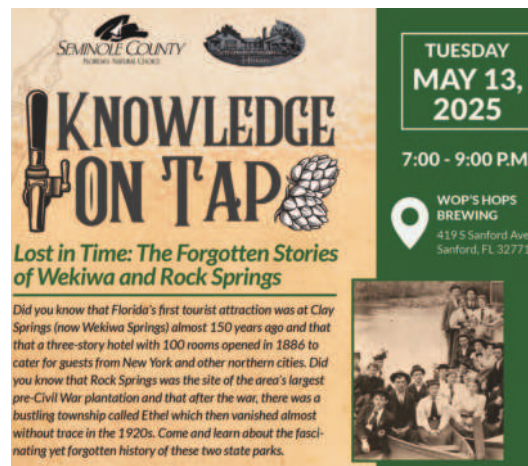

This is just the beginning of my story in The Sanford Herald, where I hope to share not only my journey but also the stories of the incredible people who make this town what it is. Sanford is more than a place; it's a community full of heart, history, and hope. And I'm honored to be a part of it.

## Knowledge on Tap at Wops Hops - May 13

Did you know that Florida's first tourist attraction was at Clay Springs (now Wekiwa Springs) almost 150 years ago? And, a three-story hotel with 100 rooms opened in 1886 to cater for guests from New York and other northern cities. Did you know that Rock Springs was the site of the area's largest pre-Civil War plantation and that after the war, there was a bustling township called Ethel which then vanished almost without trace in the 1920s? Come and learn about the fascinating yet forgotten history of these two state parks. GOLF

Continued from Page 1

“By working with Youth on Course to help make golf more accessible, we’re helping grow the sport while also making a positive impact in our communities,” Tyrie said.

Through Golf with Us, BofA will also bring unique instructional opportunities to youth in select markets throughout the spring, summer and fall by hosting a series of free clinics featuring professional golfers, athletes and celebrities with a passion for golf.

Program membership also includes a registered handicap index in the United States Golf Association’s Golf Handicap Information Network (GHIN) system, continued development as well as learning opportunities. Interested families can enroll in Youth on Course and learn more about the Golf with Us offer at BofA.com/GolfwithUs.

“Golf has the power to shape young lives in incredible ways - not just through the sport itself, but through the friendships, confidence and opportunities it creates,” said Youth on Course CEO Adam Heieck. “Through this partnership with Bank of America, we’re making it possible for more kids across the country to step onto the course and discover what’s possible. This partnership is about more than just golf; it’s about opening doors and changing futures.”

Youth on Course and BofA recently announced a multi-year, strategic partnership to expand golf access across the country for young players who are challenged to find an affordable place to play. As part of the agreement, BofA is helping fund widespread expansion of municipal course locations participating in the program. To date, more than 2,000 courses are Youth on Course partners nationwide.

The bank will promote Golf with Us through a series of commercials beginning during the Masters Tournament. BofA serves as Champion Partner of the Masters Tournament and has partnered with the Augusta National Women’s Amateur since 2019, hosting annual golf clinics for youth in the Augusta, GA area. In 2025, BofA became the presenting partner of the More Than Golf Invitational for female amateur golfers in partnership with the ANNIIKA Foundation founded by golfing legend Annika Sorenstam. In addition, BofA has partnered since 2002 with the Latin America Amateur Championship and Asia-Pacific Amateur Championships.

Beyond its growing golf partnership portfolio, BofA also partners with iconic brands in sports that share a vision for excellence and achievement to deepen client relationships, inspire and showcase teammates, create lasting economic impact in communities, and drive growth, globally and locally, through the power of sport. ## Seminole High water polo teams repeat as Regional Champs

By Dean L. Smith  
Herald Staff

The old saying of "Offense wins games, but defense wins championships" came to fruition for the defending State Champion Seminole High School girls water polo team (27-1) as the Fighting Seminoles held off a determined Winter Park squad, 5-3, in the Region 1 Championship Game at the Larry A. Dale Aquatic Center last Thursday night.

The victory avenged the Tribe's lone

loss of the season and advances them to the State Final 4 for the third consecutive season and fourth time in five years.

A couple of hours later, it was deja' vu as the Noles boys (20-8) outscored Oviedo, 13-10, to not only repeat as Regional Champions, but also advance to the State

Final 4 for the second consecutive year.

This is just the fourth time that both the boys and girls teams from the same school have made the Final 4 in the same year, and Seminole became the first to do it twice.

The State Tournament will take this

Friday and Saturday (April 25-26) at the Gian Zumpano Aquatic Center in Miami with Belen Jesuit Preparatory School serving as host school.

Admission is \$13 per day with advance purchase via GoFan, and \$16 the day of the games. Parking is included in ticket price.

# Teamwork at a premium

## New Regional Baseball format should reward teams deep with talent

By Dean L. Smith  
Herald Staff

For the first time in several years, depth of talent \_ especially on the pitching side \_ will take center stage when seven Seminole County baseball teams take to the field for the Regional Quarterfinals this week.

Six local teams, led by Lake Mary's big upset in Class 7A-District 4, won District Championships last week and will be joined by At Large selection The Geneva School in the Best-of-3 Quarterfinals that began with Classes 1A and 2A on Monday. The bigger schools \_ Classes 5A, 6A and 7A \_ start their series' tonight (Wednesday).

In the past, a team with a dominant pitcher could go a long way, usually at least to the State Championship Game, but now you need at least two solid pitchers to get to the Final 4. The new format also gives a team that has a bad night for whatever reason an opportunity to bounce back and advance to the next round.

The higher seeded team in each matchup will get to play the first two games at home, while if the series is tied at 1-1, the winner-take-all game would be at the home of the team the had to travel.

Getting back to the District Tournaments, the Rams (15-13), who entered the Class 7A-District 4 Tournament with a losing record, came to life as the No. 4 seed and won three game in a row, including wins over top-seeded West Orange (19-7), 17-4, and No. 2 Lake Brantley (16-10-1), 3-2, to claim their third consecutive District Championship.

Oviedo (12-15) also pulled off an upset, claiming the Class 6A-District 4 title out of the No. 3 seed.

## A trio of District Lax Champions

### Seven local teams merit advancement to Regionals

By Dean L. Smith  
Herald Staff

Led by the two-time defending State Champion Lake Mary boys (16-0), Seminole County will be fairly well represented as four At Large teams have been invited to join two other District Champions in the FHSAA Regional Tournament.

All three local champions \_ the Rams boys and Lake Mary girls (15-3) in Class 2A-District 5 and the Hagerty girls (14-5) in Class 2A-District 6 \_ will be the top seeds in their respective Regions and will be joined by the Oviedo boys (14-3) in 2A-1, the Lake Brantley girls (9-9) in 2A-1 and the Oviedo (11-6) and Lake Howell (13-6) girls in 2A-Region 2.

The Regional Quarterfinals began on Tuesday with the five local girls teams all in action, while the two boys teams will open play tonight (Wednesday).

Quarterfinal winners will advance to the Regional Semifinals with the girls playing on Tuesday, April 29, and the boys on Wednesday, April 30.

The Regional Championship Games will be on Friday, May 2, for the girls and Saturday, May 3, for the boys.

# UCF baseball claims Big 12 series win from No. 15 TCU

## Outstanding pitching carries Knights

By Dean L. Smith  
Herald Staff

ORLANDO — Riding back-to-back outstanding pitching performances, the UCF baseball team (22-17, 6-12 in Big 12) bounced back from an opening game loss to best No. 15 TCU (29-12, 12-6) twice to win the 3-Game Big 12 Conference Series at John Euliano Park.

After the Knights were bested, 6-1, on Thursday, the Black and Gold came to life on Friday, with Russell Sandefer and Dominic Castellano combining on an 8-hitter and striking out a season-high 15 batters and Chase Krewson and Dylan King both hit home runs in a 5-1 victory.

Sandefer, a sophomore, went a season-long 5.2 innings and struck out a career-high eight batters in just his second start as a Knight. He surrendered just one run on six hits to improve to 2-2 on the sea-

son. Senior southpaw Castellano came on and struck out a season-high seven batters over 3.1 scoreless innings of relief. He allowed just two hits in the outing on his way to earning his first save of the season.

In addition to the homers from Krewson and King, Antonio Jimenez paced the hosts at the plate, going 2-for-3 with two doubles and a run scored. DeAnez Ross, Lex Boedicker and Braden Calise also drove in runs in the game for UCF.

But on Saturday another sophomore, Matt Sauser (3-0), did even better, hurling a team season and career-high eight innings and recording a career high eight strikeouts, while scattering just five hits, and retiring the side in order in six of the eight innings, in a 4-2 victory over the Horned Frogs.

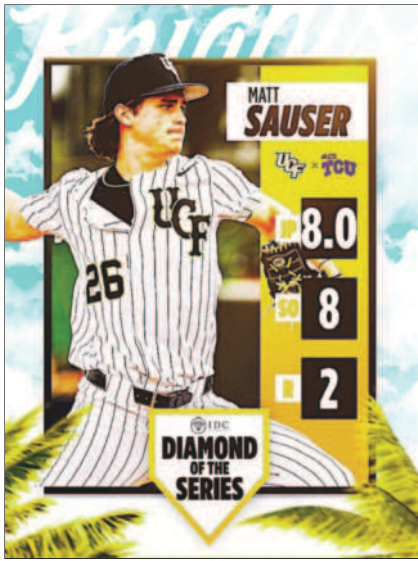

Alex Galvan came on with one on in the ninth and retired all three batters he faced — strikeout, groundout, strikeout — to collect his second save of the season. The win

locked up UCF's first ranked series win since Feb. 27, 2021, when the Black and Gold took two of three at No. 1 Ole Miss.

Andrew Sundean led the offense, going 2-for-4 with a home run, double, two runs scored and an RBI. Andrew Williamson also homered, while Calise went 1-for-2 with an RBI and a walk and King was 1-for-3 with an RBI.

**Up Next:**

The Knights were in Boca Raton to challenge FAU on Tuesday and will return to John Euliano Park for another weekend series with Big 12 Conference-leading and No. 18 ranked West Virginia at 6 p.m. on Friday and Saturday and 1 p.m. on Sunday. The games will be streamed on ESPN+ and carried by FM 96.9 The Game on the radio. Live audio will be available by visiting UCFKnights.com and live stats can be followed at ucf.statbroadcast.com.

# Extra-inning victory gives Oklahoma State softball series win over UCF

By Dean L. Smith  
Herald Staff

ORLANDO — Visiting Oklahoma State (27-15, 8-8 Big 12) led for a total of three innings over the three games, but it was good enough to give the No. 21 ranked Cowgirls a 2-1 game victory over UCF (26-20-1, 7-11 Big 12) at the UCF Softball Complex.

After six scoreless innings in the opener on Thursday, OK State took advantage of an error to score seven runs in the top of the seventh inning and blank the Knights, 7-0.

UCF was held to only one hit and two base runners, but stayed in the game behind good defense and strong pitching from Isabella Vega, Yessenia Lopez, Macy Miles and Katelynn Cochran.

The Black and Gold got vengeance on Friday, plating nine runs in the bottom of the first inning

## Knights drop rubber match despite holding Cowgirls to two hits

and holding on for a 12-6 series-evening victory.

Aubrey Evans highlighted the big inning with a grand slam and finished the day 2-for-3 with four RBI and a run scored. Ashleigh Griffin drove in a pair of runs, while Sierra Humphreys and Kendall Yarnell both scored two runs.

Kaitlyn Felton didn't have her best stuff, allowing six runs on 11 hits, with four walks and a hit batter to go with five strikeouts, but it was good enough for her to get her 11th victory of the season.

Saturday's rubber match saw another pitcher's

duel the Cowgirls' Ruby Meylan (17-6), who also went a complete game to get the win on Thursday, and Lopez of the Knights.

UCF broke through in the second when Samantha Rey drew a leadoff walk and scored two outs later on an RBI single to right center by Evans that the OSU centerfielder missed a diving attempt.

Lopez, meanwhile, was outstanding in the circle, holding the guests without a hit for five innings.

But after a leadoff walk in the sixth, Felton (11-4) came on and a gave up a 2-run home run to

Amanda Hassler, giving the Cowgirls a 2-1 lead.

The Knights had the answer in the bottom of the sixth, however, as Izzy Mertes launched a bomb deep over the left center field fence to tie the contest at 2-2.

The score remained tied until the eighth, when Hassler again hit a 2-run homer, following a walk, to put the Cowgirls up 4-2.

In the bottom of the eighth, Griffin drew a walk ahead of an RBI double to left center by Mertes, but the 25tying run was left stranded on a short fly to right, a ground out and a strike out.

**Up Next:**

UCF is in DeLand tonight (Wednesday) to face Stetson at 6 p.m. at Patricia Wilson Field before returning to the UCF Softball Complex for the final time this season to host Houston in Big 12 series on Friday (6 p.m.), Saturday (6 p.m.) and Sunday (2 p.m.). All of the games will be streamed on ESPN+.

The file has been assigned OGC file number 18-0140. The water quality criteria exemption would establish alternative compliance levels for sodium from the standards established in Chapter 62-520, F.A.C., for the permitted discharge of treated industrial wastewater to Class G-II ground water from Florida Power and Light Company

The Petitioner, Florida Power and Light Company, has demonstrated that they are entitled to the exemption under Rule 62-520.500, F.A.C. A copy of the Notice of Intent may be obtained by contacting: Sydney Cummings, of the Department's Source and Drinking Water Program, located at 2600 Blair Stone Road, Tallahassee, Florida 32312, at 850-245-8633 or Sydney.Cummings@FloridaDEP.gov during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays. A person whose substantial interests are affected by the Department's intended action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. Pursuant to Rule 28-106.201, F.A.C., a petition for an administrative hearing must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, any e-mail address, any facsimile number, and telephone number of the petitioner, if the petitioner is not

Also, a copy of the petition shall be mailed to the applicant at the address indicated above at the time of filing. In accordance with Rule 62-110.106(3), F.A.C., petitions for an administrative hearing must be filed within 14 days of publication of this notice or receipt of written notice, whichever occurs first. However, any person who has previously asked the Department for notice of this agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication. The failure to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Because the administrative hearing process is designed to formulate final agency action, this process may result in a modification of the agency action or

even a denial of the request for the exemption. A person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline for filing a petition for an administrative hearing. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. Mediation is not available in this proceeding.
