

Mighty Moms

# FULL TUMMY PROGRAM

*with support from the Greater Baton Rouge Food Bank*

1 IN 11 CHILDREN FACE FOOD INSECURITY  
IN LIVINGSTON PARISH

Do you have a child in the Livingston Parish School System who may not know where their next meal is coming from?

If so, ask your child's school about the **Mighty Moms Full Tummy Program.**

The Full Tummy Project provides food for school children who are at risk of missing meals when they are not in school over weekends and holidays. Backpacks are filled with child-friendly food items and are then distributed to elementary school children enrolled in the program.

To enroll your child in the program, please fill out the permission form provided by your child's school.
