

# PARTNER AGENCIES: Join our Retail Donation Program

In addition to your agency orders, you now have the opportunity to receive supplemental food that includes more variety and an expedited timeline.

## HOW IT WORKS:

Your agency picks up rescued food from the retail location and then returns it to the agency. This cuts up to 3 days processing time, which in turn allows for the food to be fresher and distributed with the community quicker.

## REQUIREMENTS:

- Vehicle (truck with trailer), van, etc.
- Refrigerator/freezer
- Consistent weekly pickups & distributions
- Timely reporting food weight and temperature
- Training provided by GBRFB
- All other equipment provided by GBRFB
