How To Access Unblocked Games 66 If Sites Are Blocked?

Now that, you have the list for the websites, from where you can enjoy games of unblocked games 66, but what if you face trouble connecting with any one of them?

Well, some schools, and workplaces may put restrictions on accessing these gaming websites. But don't worry we get your back. Here are the easiest steps to access the Unblocked Games 66, to beat boredom with games.

1. Use a VPN

What it does:

Well, when it comes to accessing any restricted sites like Unblocked Games 66, connecting with a VPN is the most effective option. By connecting with a VPN, you can not only hide your IP address but also can encrypt internet traffic.

Steps:

- Choose a reliable VPN service like FastestVPN.
- Download and install the VPN on your device.
- Connect to a server in a country where the site isn't blocked.
- Once connected, visit the unblocked games website

2. Try a Proxy Site

What it does:

If you don't want to download any VPN, try connecting with a proxy server that acts as a middleman. To ensure an anonymous browsing experience, you can access the Unblocked Games 66 by masking your IP address.

Steps:

- Use a proxy website like KProxy, Hide.me, or HMA.
- Enter the URL of the blocked unblocked games site into the proxy's search bar.
- The proxy will load the site for you, bypassing restrictions.

3. Use a Different Browser

What it does:

Sometimes, simply switching to a different web browser can help. Every browser has different policies and restrictions. So, you can also try connecting with one, that has an in-built VPN extension or features such as FastestVPN.

Steps:

- Download and install a different browser like Opera, Firefox, or Brave.
- Use the new browser to access your unblocked games site.

4. Check for Alternative URLs

What it does:

Most of the time, many of the websites like these have multiple URLs or mirror sites. So, why not search for alternate URLs to Unblocked Games 66, which might not be blocked in your school or workplace?

Steps:

- Search for mirror sites of the unblocked game site. For example, if Unblocked Games 66 is blocked, search for Unblocked Games 66 EZ or other variations.
- Access the mirror site and check if it's not restricted on your network.

5. Use Mobile Data or Hotspot

What it does:

If you're on a mobile device and have data available, try switching off Wi-Fi and using your mobile data or hotspot instead. This may help you bypass any restrictions placed by your school or workplace on their Wi-Fi network.

Steps:

- Turn on the mobile hotspot feature on your phone.
- Connect your computer or tablet to the hotspot.
- Use mobile data to access the unblocked games.

Ready to Play?

In short, we all know that Unblocked Games 66 is packed with hundreds of games, waiting for us to enjoy, and beat the boredom.

But why let slow internet or restricted access hold you back?

Well, we have the perfect solution for you. Level up your gaming, right away with FastestVPN's ultra-fast speeds, and experience seamless, lag-free fun whenever you want. With FastestVPN, your gaming will never be the same again.
