“Ryan Sitton has created **more jobs** than all the other candidates combined.”

Growing New Jobs

- Repealing state's margin tax.
- Lowering costs for workers compensation and unemployment insurance.
- Minimizing frivolous lawsuit exposure to companies.

Controlling Government Spending

- Running government like we run business.
- Implementing “Zero-Base Budgeting” across all state and local governments.
- Eliminating spending on government functions with no measured value.

Committing to Public Education

- Limiting expensive government mandates to allow more flexibility for teachers and administrators in the classroom.

Limiting Taxes and Fees

- Cutting taxes and fees for businesses and capping future increases.

Stopping Illegal Immigration

- Increasing security for our borders.
- Eliminating incentives for illegal immigrants.
- Restricting employment and eliminating free privileges for illegal immigrants.

Building and Maintaining Infrastructure

- Emphasizing energy independence.
- Aggressively tackling problems surrounding our dwindling water supply and new electricity generation.
- Sensible planning for infrastructure investment to prepare for our growing population.
