Save the Date

Mark your calendar on [INSERT DATE & TIME] to join Dell EMC and [PARTNER] for an in-depth conversation about making innovation real with artificial intelligence powered by modernized IT using advanced Dell EMC technology.

Join peers and industry experts at this exclusive invitation-only event to explore how modernizing your data center for artificial intelligence will unlock the value of your data, improve customer experience with faster development cycles, and transform decision making to drive business innovation. Learn how to power AI with proven Dell EMC servers, storage, consulting and Ready Solutions for AI. Finally, see how you can leverage hybrid cloud solutions to increase IT agility with less risk and reduced time-to-value.

Organizations that modernize IT for artificial intelligence:

- Increase customer satisfaction by 75%¹
- Deliver new products and services 46% faster²
- See up to a 5x return on AI investment³

[Mark your calendar now.](#) We hope to see you there.
