

## Optimized Trading Services let you invest faster and easier from anywhere.

Schwab  
Trading  
Services

Our new tools and webinars, plus our platform and community enhancements, help you find your trading edge. See what's now available to you as a Schwab Trading Services™ client.

### Discover new tools with the latest version of StreetSmart Edge.®

With StreetSmart Edge version 1.46, you can now scan for securities with published corporate events, or instantly know the direction of your most recent trade. You can also now define your exit strategy prior to utilizing your hot key order, or identify the top option contracts trading for a given symbol.

### Manage your accounts more quickly and easily with our updated mobile app.

Designed with security and convenience in mind, the Schwab Mobile app lets you manage your portfolio, place trades, and receive real-time notifications from anywhere. Quickly and easily deposit checks, transfer money, or research and act on trade ideas with just a few taps. To start, securely log in with your fingerprint on Touch-ID™ capable Apple® devices.

[Download the new mobile app >](#)

### New Gain/Loss Analyzer: Track your progress.

Get visual feedback on the net gain or loss across all of your accounts, customizable by date, with this new and convenient tool. Schwab calculates the data, allowing you to view average profitability and transaction rates for your account or for an individual trade.

## Options strategies for earnings this week.

Join Lee Bohl and Kevin Horner from Schwab Trading Services as they look for potential trades in the current market environment. They'll review major market indices, discuss potential entry and exit strategies, and examine charts. Lee and Kevin may even have two different views or approaches to the trade. There will also be plenty of time for Q&A, so come prepared with questions.

## Now \$6.95 online equity, ETF and options trades, plus \$0.70 per options contract<sup>1</sup> and a Satisfaction Guarantee.

At \$6.95, Schwab now has lower commissions for online equity, ETF and options trades—lower than Fidelity, TD Ameritrade, E-Trade, and Scottrade.<sup>2</sup> For options trades, we have also reduced the additional contract charge to \$0.70 per contract. Plus, you can trade 200+ ETFs commission-free online in your Schwab account.<sup>3</sup>

Schwab's commitment to your satisfaction is backed by a Satisfaction Guarantee.<sup>4</sup> Here's how it works: If you're not completely satisfied, we'll refund your fee or commission and work with you to make things right. Learn more about how our Satisfaction Guarantee works. You won't find this kind of promise everywhere—but you will find it here.

**Brokerage Products: Not FDIC-insured · No Bank Guarantee · May Lose Value**

1. Restrictions apply. The \$6.95 commission does not apply to foreign stock transactions, large block transactions requiring special handling, or restricted stock transactions. Foreign ordinary shares that trade online in the U.S. over-the-counter (OTC) market and do not settle in the U.S. will have a \$50 foreign transaction fee added to the cost of the transaction. All broker-assisted and automated phone trades are subject to service charges. See the [Charles Schwab Pricing Guide](#) for individual investors for full fee and commission schedules. Employee equity compensation transactions are subject to separate commission schedules. Multiple-leg options strategies will involve multiple commissions.
2. Competitor firm information obtained from their respective websites as of January 31, 2017. Competitor pricing and offers subject to change without notice.
3. Conditions apply. Trades in ETFs available through Schwab ETF OneSource™ (including Schwab ETFs™) are available without commissions when placed online in a Schwab account. Service charges apply for trade orders placed through a broker (\$25) or by automated phone (\$5). An exchange processing fee applies to sell transactions. Certain types of Schwab ETF OneSource transactions are not eligible for the commission waiver, such as short sells and buys to cover (not including Schwab ETFs). Schwab reserves the right to change the ETFs we make available without commissions. All ETFs are subject to management fees and expenses. Please see [Charles Schwab Pricing Guide for Individual Investors](#) for additional information.
4. If you are not completely satisfied for any reason, at your request Charles Schwab & Co., Inc. ("Schwab") or Charles Schwab Bank ("Schwab Bank"), as applicable, will refund any eligible fee related to your concern within the required timeframes. Schwab reserves the right to change or terminate the guarantee at any time. Go to [schwab.com/satisfaction](http://schwab.com/satisfaction) to learn what's included and how it works.

Investors should consider carefully information contained in the prospectus, including investment objectives, risks, charges and expenses. You can request a prospectus by visiting [Schwab.com](#) or calling Schwab at 800-435-4000. Please read the prospectus carefully before investing.

Options carry a high level of risk and are not suitable for all investors. Certain requirements must be met to trade options. Please read the Options Disclosure Document titled [Characteristics and Risks of Standardized Options](#) before considering any option transaction. Supporting documentation for any claims or statistical information is available upon request.

If you have any questions or concerns, PLEASE DO NOT REPLY TO THIS EMAIL. Please send us an email using the secure email feature on our website, [Schwab.com](#).

If you wish to stop receiving marketing emails from Charles Schwab & Co., Inc., [unsubscribe](#) here. Please note that doing so will not remove you from any Schwab Alerts®, email newsletters, or information to which you have actively subscribed.
