

An Adventure That Goes Above and Beyond the Great Outdoors

Space survival, robots, missions to Mars—there’s nothing on Earth like the Cosmosphere. From a day of adventure to weekend overnight stays, our programs are popular with scouts and other youth groups because we go above and beyond exploring the great outdoors. We explore the universe. Train Like Astronauts

We offer hands-on adventure and learning experiences, from building robots to lunar landings to pulling Gs in the centrifuge. Our campers train like astronauts and emerge from the experience with leadership skills. Along the way, they earn badges, patches, awards, and journey requirements in space and related STEAM subjects. [LEARN MORE HERE](#)

We’ll Make Space For Your Troop or Group

We offer ready-made programs for Boy Scouts, Girl Scouts, American Heritage Girls, 4-H, church groups, and more. Or we can customize experiences to meet the needs of your group. [READ THE STORY](#)
