

## Matte Lip-Fix – Vava Voom

Bold color that *outlasts your excuses*.

Zaron's **Vava Voom** matte isn't just lipstick; it's a **24-hour statement in bulletproof pigment**, designed for those who wear confidence as effortlessly as their shade.

✓ **Kiss-proof, drama-proof, life-proof** because smudges should never steal your spotlight.

✓ **Featherlight** comfort that feels like second skin, never dry or cracking.

✓ **Limited-edition boldness** in shades so vibrant, they demand attention (and compliments).

This is more than makeup; it's **armor for your attitude**.

Tag your boldest friend. **They'll thank you later.**
