

## Voiceover Script – Personal Brand / Freelancer Ad

**Length:** ~45–55 seconds

**Tone:** Warm, confident, conversational-professional

### **VO:**

You've got a message — I help you say it right.

Whether it's a product, a personal brand, or just an idea waiting to be shaped, I bring it to life with words that *work*.

Hi, I'm Ele, a writer, content strategist, and virtual assistant with a thing for clarity, creative flair, and getting things done.

From blog posts to brand voice, product descriptions to process documents, I help people and businesses sound like themselves — just sharper, smoother, and more strategic.

If you've got content to create, chaos to manage, or a brand to build, I'm here to help you show up like you mean it.

Let's work together. Your words and your workflow are in good hands.
