

IBM Cloud Advisory Services

The agility of an entrepreneur powered by IBM

**Your client on cloud.
It's a journey.**

CAS meets them where they are,
and moves them even further.

5 ways IBM Cloud Advisory Services (CAS) is different:

1

We operate like
a start-up—but
we're still IBM.

2

130 CAS
consultants,
equipped with
industry-leading
engagement
skills.

3

OEM and IBM
Cloud. Amazon.
Microsoft.
Google.
Industry-leading
expertise on
Bluemix.
We've got
you covered.

4

We're the team
behind Workload
Transformation
Analysis—
and there's
much more in
our toolkit.

5

Cloud usage.
Revenues.
Commissions.
Watch them grow.

**Selling cloud bandwidth is easy.
Making sure it's effectively utilized? Call us.**
