WHO WE ARE

GOD AT WORK

TO REACH NEW ENGLAND WITH THE GOSPEL,

*Every Town and
Every Neighborhood*

MUST HAVE A HEALTHY CHURCH.

*H*OW WILL WE GET THERE?
THE ANSWER IS SIMPLE: BY
PLANTING MORE CHURCHES.

The BCNE supports church plants in every step of their development through regular **training** and **accountability**.

But **existing churches** are a **vital** part of the process.

Church plants and replants **desperately need** sending churches, partner churches and sponsor churches to **mentor** them and help them **thrive**.

As these new churches mature and become self-sufficient, they **multiply** our Gospel effectiveness by **helping** other church plants.
