NEW ENGLAND
MISSION EMPHASIS
WWW.BCNE.NET/NEME

During the earliest weeks of the pandemic, the Baptist Convention of New England gave 89 grants to churches and helped 32 ministers with personal financial needs – despite losing more than \$300,000 of income.

NOW WE NEED YOUR HELP

Major partners have had to cut all of our evangelism funding and most of our collegiate ministry funding – but the work must continue.

Your generous gifts will be used to help fund special projects all over New England, such as community outreaches and emergency needs.
