

Douglas Murray LEAVES Muslim Mehdi Hasan SPEECHLESS about Antisemitism

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

10:17 until 10:25 and 6:49 until 7:07

In this debate, Douglas Murray flawlessly defeats author and columnist Mehdi Hasan on the topic of Antisemitism, leaving him completely speechless!

The debate was focused on answering a critical and important question; is Anti-Zionism the same as Antisemitism?

We're about to find out the truth in this heated and interesting debate.

So get ready, and let's begin.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

0:40 until 1:03

Here Douglas Murray refers on the attack on Israel on the 7th of October, 2023, which left many dead, and others held hostage.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

1:05 until 1:35

The attack on Israel was expected to have started some sort of uprising around the world, or at least in neighboring countries, but it appears that not much is being said about it.

And Douglas Murray thinks this is unacceptable.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

1:36 until 2:07

One would naturally think that a country under attack will somehow receive some sort of global attention.

But it turns out that for Israel, this is not the case.

Let's continue.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

2:09 - 2:33

This is absolutely correct.

Jews have a longstanding history of being under attack.

From the accusations of deicide in early Christianity to the horrendous Holocaust, the Jews have been brutally persecuted.

Douglas continues.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

2:35 until 3:04

More from Douglas Murray on the Israel attack.

The truth is that Judaism is a unique faith, and some people just can't handle that.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

3:42 - 3:50

Can we say that the hate towards Jews is a result of religious difference or pure prejudice?

People fear what they don't understand, and I think Jews, with their long history and distinct traditions, have become easy targets

Now pay attention to how Douglas Murray defines Anti-Semitism and Anti-Zionism

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

3:52 until 4:22

Douglas takes this a step further by citing recent events that prove that Anti-zionism is indeed a form of Antisemitism.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

4:27 until 4:47

Note that these events are directed towards Jews. So surely Douglas Murray is driving at something.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

5:00 until 5:30

Antisemitism has been a constant undercurrent throughout history, and for a long time Jews have been blamed for everything from social ills to economic woes.

This is so unfair.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

5:38 until 6:07

Based on Douglas Murray's definition, I guess we can say that Antisemitism means when Jews get targeted with hatred and violence for simply being Jewish.

What do you think?

Let's hear from the opposing speaker, Mehdi Hasan.

<https://youtu.be/2UrGL813Ls4?si=UqAuDPWifWOiU6Em>

2:41 until 3:10

Pay attention to how he's trying to digress from the topic by invalidating the motion of this debate.

<https://youtu.be/2UrGL813Ls4?si=UqAuDPWifWOiU6Em>

3:11 until 3:30

Quite interesting.

But let's not forget that the close similarity between Antisemitism and Anti-Zionism has always been a topic for discussion, as opposed to what Mehdi Hasan is saying.

<https://youtu.be/2UrGL813Ls4?si=UqAuDPWifWOiU6Em>

3:32 until 4:00

Another attempt to invalidate the motion. But he keeps going.

<https://youtu.be/2UrGL813Ls4?si=UqAuDPWifWOiU6Em>

5:04 until 5:35

This debate, I must say, exposes the hateful conspiracy against Jews.

So it's no surprise that Mehdi Hasan is trying to change everyone's perspective about the motion of the debate itself.

But here's how Douglas Murray replies.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

7:39 until 8:02

Notice how Douglas Murray counters his opponent's point. He didn't stop there.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

8:13 until 8:28

The attacks on Jews aren't just history lessons.

Antisemitism is alive and kicking today: synagogues get vandalized, Jewish people get harassed on the street, and hateful conspiracy theories still fly around.

It's exhausting, frankly.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

8:38 until 9:07

Douglas Murray is definitely stating the fact.

A world where people are attacked for their faith is a pretty lousy world, but a world where the right of people to form a state is trampled on is far worse.

This is what Douglas is trying to prove.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

9:08 - 9:20

We have to accept the fact that Antisemitism is indeed a hatred for Jews.

And I'll say that it's time to break the cycle and build a future where everyone feels safe and respected, regardless of their religion.

Let's proceed.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

9:31 until 9:59

On the surface, Anti-zionism may simply mean an opposing belief against the movement for Jewish self-determination in Israel.

However, beneath this mask is a true example of antisemitism.

And Douglas Murray proves this.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

10:00 until 10:25

That was a strong comment from Douglas Murray. And interestingly, he's not finished yet.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

10:28 until 10:57

A fierce argument is about to start. Pay attention!

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

10:58 - 11:25

Another strong blow from Douglas Murray.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

11:30 until 11:56

When people use the same old tropes about Jewish world domination to demonize Israel, I think it's rather cruel.

It delegitimizes the right of Jewish people to self-determination, and that is pretty antisemitic.

Let's continue.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

12:03 until 12:32

This is very correct.

The opposing speakers may claim that not all criticism of Israel is antisemitic. Well, that is true.

But they need to keep it focused on the policies, not the people.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

12:56 until 13:25

This is a really good point from Douglas Murray.

Imagine telling other people they can't have a homeland. It wouldn't fly, would it? Jews deserve a safe space too.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

13:36 until 13:59

To understand this issue we need to acknowledge the part of politics, leaders who use minorities as scapegoats to distract people from their own failures.

Those who propagate these actions are simply just looking for a cause - they clearly have no solid reason for their actions.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

15:30 until 16:00

If you listened closely, you probably noticed Douglas Murray trying to clearly state his argument.

Now this is very important, especially if we're going to see things from his point of view.

Let's proceed.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

16:06 until 16:35

Israel's complex relationship with Palestine is one notable mention when discussing antisemitism.

The rift between both countries has become the genesis of a number of crises, many of which are still seen to this very day.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

17:38 until 18:05

While Israelis continue to lose their lives to this long-standing hate, just as Douglas Murray said, there were obviously those who wanted peace.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

18:10 until 18:33

Antisemitism has no place in the conflict between Israel and Palestine, it only serves to make things worse.

This is the truth that Douglas Murray is trying to preach.

But just before Douglas concluded his comments, another altercation started between himself and Mehdi Hasan.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

18:42 until 19:02

Now listen to what he said.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

19:07 until 19:35

Once again, Douglas Murray is interrupted by Mehdi Hasan.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

19:37 until 20:07

Surely a heated argument, but Douglas Murray was able to make his point.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

20:11 until 20:39

To be frank, I think antisemitism is more like a slippery slope. History is littered with examples of how hating one group can easily turn into hating others.

That could be the aftermath of this issue.

And in the end we'll have a society, where the voice of the minority is silenced.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

21:09 until 21:40

Another good point from Douglas Murray yet again.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

22:01 until 22:25

In my opinion, antisemitism has to stop. It's time to challenge stereotypes and prejudices, or else they'll be the end of our world.

That said, let's hear Douglas Murray's final words in this debate.

<https://youtu.be/ZT7dXGgyZJE?si=0p-wfZWshirk-x76>

23:31 until 24:02

They sure will!

I think Douglas Murray is absolutely right.

We need to speak out against hate speech, no matter where we see it. And most importantly, we need to stand against Antisemitism in whatever form it may take.
