

## Evan Ortiz

### Career Objective

Motivated interdisciplinary professional who has studied in the areas of education and letters & modern languages. I am seeking a professional experience to work with English language learners to grow my teaching skills and learn from the local culture. Working with English language learners will allow me to apply different teaching methods, such as social and emotional learning skills, in a creative environment to allow the students to fully engage in their learning.

### Education

#### University of Central Florida

Bachelor of Arts in Interdisciplinary Studies

Orlando, FL

December 2024

Minor: Cinema, Film Studies & World Languages Educ. ESOL; Certificate: Teaching English as a Foreign Language (TEFL)

GPA: 3.721
