

April 2018

Dear <<First Name>>,

# Spring is a time of new beginnings and new connections.

*Warmer weather and bright blooms invite us outdoors to reconnect with nature.*

Last spring, **Senior Transportation Connection** planted some seeds of our own to help cultivate independence for passengers like you. Since last year, we added nine accessible American-made vehicles to our fleet to better serve you!

We also expanded our services through **STC Plus**, adding weekend and evening trips for the first time. It was a pleasure taking more than 120 new passengers to church or out to dinner in our accessible vehicles, driven by trained drivers ready to lend a helping hand. We are proud to offer passengers age 60-plus and younger adults with disabilities this opportunity to travel to their social, recreational and worship destinations, connecting with family and friends. *We understand how challenging those outings become when using a wheelchair or struggling to get into the car.*

I **thank you** for making Senior Transportation Connection your vital connection. It is our privilege to get you to your daily destinations safely: your doctor's office, the grocery store or senior center activities.

As a nonprofit, we are grateful to the generous people who donate to help support **STC**. I hope that you'll make a tax-deductible gift today.

Donations help **STC** keep service as affordable as possible. Donations help maintain our fleet that travels *more than a million miles* every year. Donations invest in training so our drivers know how to help when you need a steady arm to lean on. And, every gift toward a new vehicle gets a federal match – *multiplying* your support!

**I hope that you will help STC plant more seeds for our future.** You're among the residents of 28 Cuyahoga County communities who rely on the caring customer service that **STC** provides. With your help, **STC** will continue getting you where you need to go – safely and comfortably – well into the future.

Thank you for considering a donation.

Sincerely,

Janice Dzigiel  
Executive Director
