PROFESSIONAL SUMMARY

Multiplatform media producer skilled in radio, podcasting, video, and digital storytelling. Experienced in full-cycle show production, on-air style delivery, editing, branding, and audience engagement. Combines technical production expertise with clear, compelling communication across sports, news, and entertainment.

MEDIA & BROADCAST EXPERIENCE

Continental Productions — Owner & Founder

Produce broadcast-quality audio/video, sound mixing, graphics, branding, and full production assistance for businesses in the Greater Philadelphia Area

GOW Media- Content contributor

Covered events, ran a board, screened callers, assisted with show topics, booked guests, and edited show promos.

The Continental— Creator, Writer & Host

Write, film, voice, and edit a news commentary channel with conversational, on-air delivery. Blend fact-driven reporting with humor and accessibility.

Pro Football Weekly TV — Producer

Launched and produced a podcast featuring Chicago personalities Hub Arkush, Dan Hampton, and Dave Wannstedt. Manage editing, technical ops, distribution, and sponsor integration.

The TV Show Podcast — Producer

Produced a podcast featuring Philadelphia personalities Jay Black, Angelo Cataldi, and Rhea Hughes. Edited audio/video episodes, created social clips, manage outreach and SEO to grow audience.

The Continental Sports Podcast — Founder & Director

Built and ran full sports podcast operations: rundowns, hosting, editing, booking, branding, and multi-platform content distribution.

Elemeño Productions — Production Assistant

Support shoots with audio, lighting, equipment, and professional set operations.
