

Tiger Haven, Inc.

237 Harvey Rd
Kingston, TN 37763

About Us

Tiger Haven, founded in 1991 by Joe and Mary Lynn Parker, is a rescue facility and no kill sanctuary for cats, located about 30 miles outside of West Knoxville.

We cooperate with state and federal regulatory agencies, police departments, animal welfare agencies and cats' owners to provide a sanctuary that is safe to the public as well as the animals.

Mission

Our mission is simple. We want to provide a permanent home for big cats in need.

Who We Serve

Since our inception, we have rescued several species of cats across 20 states who were living in unhealthy or neglectful situations, at the request of the authorities.

We house big cats including tigers, lions, leopards, cougars and jaguars.

We also house smaller cat species like lynx, bobcats, servals and caracals.

Our Services

Training and Extra Help

We offer training to big cat owners as well as the option to house their cats at the sanctuary.

Animal Welfare

We ensure our cats have access to food and veterinary care.

Education and Community Outreach

We provide public education on animal welfare and wildlife preservation to civic centers and private corporations.

How to Help

We appreciate any and all contributions. To support us, please consider making donations, sponsoring a cat for a yearly fee or buying merchandise. All of these contributions allow for the sanctuary to keep running.

Licenses

We are licensed by the Tennessee Wildlife Resources Agency (TWRA).

We are in 100% compliance with all TWRA standards.
