

About Us

MCKamey Animal Center has been serving animals in greater Chattanooga area since 2008. We, at MAC, believe in creating a compassionate culture for abused and neglected animals. Thousands of animals continue to rely on our shelter, veterinary care, community services, and advocacy work.

Capacity Crisis

Since June of this year, MAC has reached maximum capacity. Animals are now being held in temporary pop-up kennels, staff cubicles, and any available space at the center. This is not humane. We need your help to avoid euthanization or turning animals away.

3,272

Animals have entered our care in 2023

297

Dogs are currently in the shelter ready to be adopted

How to Help

If you have think you can adopt or foster, please do so. Donations are welcome. At the very least, please consider sharing our information to family members and friends.

Adopt. Donate.
Save Lives.
