Professional Experience

Reporting Intern at KJZZ News – Phoenix, AZ

January 2026 to Present

- Responsible for breaking news and covering local and national stories in audio and written formats for the National Public Radio member station in the Phoenix and Tucson area.
- Pitched articles, interviewed sources, wrote scripts, and edited audio stories using Adobe software and radio equipment.
- Transcribed segments from the KJZZ Show, copyedited scripts and articles, and filed stories with a CMS.

Editorial Intern at National Journal – Washington, D.C.

May 2025 to August 2025

- Pitched, researched, and executed various quick-turn and enterprise articles focused on national policy and congressional campaigns for the National Journal *Daily* and *Hotline*.
- Aided in daily news aggregation for newsletter and breaking news style content, garnering 82 solo- and co-bylines by the end of the internship.
- Produced segments of the National Journal's podcast using Zencast and Adobe Audition software.

Reporting Fellow at the Arizona Republic – Phoenix, AZ

April 2025

- Selected from a pool of journalists by the Arizona Republic to cover the Society of Environmental Journalists annual conference in Phoenix, Arizona.
- Carried out on-the-ground coverage of several panels, gauged newsworthiness and published four articles in two days, including a story published in USA Today, which investigated the depleting uranium supply in the United States.

Social Media Specialist at MadridMedia – Phoenix, AZ

January 2025 to May 2025

- Coordinated and completed public relations projects using Adobe editing software, cameras and video equipment, and other multimedia tools.
- Directed the creation of social media, video and graphic content for various real estate companies through the utilization of social media platforms such as Instagram and Facebook.
- Analyzed monthly social media analytics, tracking the growth of company profiles, and creating graphs using Google spreadsheets and other software.

Congressional Correspondent at Cronkite News – Washington, D.C.

August 2024 to December 2024

- Covered Arizona environmental policy and races in the 2024 elections for Cronkite News, an Arizona PBS affiliate outlet.
- Mediated multiple interviews with congressional leaders and government officials, pitched beat related stories daily, reported on-deadline during Election Day and conducted research.
- Investigation into chemical contamination from a Tucson, Arizona military base prompted action from the United States Air Force, moderated communication with sources after publication.
