Clinical Education Experience

Van Cortlandtville Elementary School
OT Shadow

Mohegan Lake, NY
December 2022-January 2023

- Collaborated with the school-based Occupational Therapist to design activities for students to participate in to strengthen their fine motor skills.
- Aided the Occupational Therapist in her daily duties of pulling students from class for 30-minute OT sessions full of activities to help meet their unique needs.
- Created monthly OT bins to be given to each first-grade class in the school district for students to work on daily.

Employment Experience

Ivy Rehab Physical Therapy
Physical Therapist Aide

Jefferson Valley, NY
December 2023-Present

- Assist physical therapists in providing patient care, including preparing equipment, setting up therapy areas, and assisting with exercises.
- Observe patient progress and report any changes or concerns to the therapy team, ensuring quality care and attention to detail.
- Maintain patient records and treatment logs, ensuring accuracy and confidentiality in compliance with clinic policies.

Yale New Haven Health
Student Clinical Assistant

Bridgeport, CT
September 2023-August 2024

- Assist healthcare professionals in performing duties such as indirect patient care activities.
- Transport patients from different locations in the hospital
- Engage in chaperoning patients during tests and facilitating patient check-in.
- Experience various departments, patients, and issues while assisting the medical professional.
