## ASPIRING BROADCAST JOURNALISM REPORTER

### SUMMARY:

New to the newsroom but eager to get to work. While pursuing my Bachelor's degree in Broadcast Journalism at UCF, I have developed a strong passion for reporting, producing, and pitching stories across a wide range of topics. From covering composting collaborations at UCF to reporting on the City of Orlando's license plate reader initiatives, I've grown tremendously as a reporter during my time at this school. Now, I'm seeking a newsroom where I can continue to develop my skills and find my next opportunity as a multimedia journalist.
