

WHAT IS KAPPA KAPPA PSI?

Kappa Kappa Psi is an organization of opportunity and quality, brimming with historic, well-developed leadership and membership programming that students use to become great leaders, better band members and better adapted young adults prepared for what lies ahead of them.

Kappa Kappa Psi operates primarily as a student service and leadership recognition society whose chief aim is to assist the Director of Bands in developing the leadership and enthusiasm that is required of his/her band. Our goals are to provide the band not only with organized and concentrated service activities, but to give our membership valid and wholesome experiences in organization, leadership and social contacts. The honorary nature of membership is based on our premise that "it is an honor to be selected to serve" this band, its department of music, its sponsoring institution, and the cause of band music in the nation's colleges and universities.

WHO ARE WE AT LAMBDA DELTA?

Lambda Delta is the chapter of Kappa Kappa Psi here at Shippensburg University. We were founded on July 11th, 2003 with 39 brothers to make up our Founding Fathers. Twenty-one years later, we are almost all the way through the Greek alphabet at the Phi class. Between alumni and active brothers, we have over 200 brothers who represent our values in their everyday lives.

Because Shippensburg University doesn't offer a music major, all of our band members are committed musicians out of a passion for music. Our brothers just take it one step further by choosing to join Kappa Kappa Psi to give back to the SU Music Department.

WHAT DO WE OFFER YOU?

Kappa Kappa Psi offers many opportunities to grow as a leader between Executive Board positions and Committee Chair positions. On top of that, we believe in giving all brothers the chance to lead by delegating tasks to spread the burden.

While we do a lot of service, we also make time to relax and bond as brothers. Whether it is holding our annual Christmas party, grabbing dinner together, or hosting social events for the whole band, we encourage getting to hang out and have fun!

HOW TO BECOME A MEMBER OF KAPPA KAPPA PSI

Every Fall semester we host a series of recruitment events to see who is interested in us. The cool part of these events is that they are designed to be social opportunities for any band member to enjoy without any pressure to join us. We simply track attendance as a metric of who may be interested, but coming out is not a commitment. From an info night about the fraternity, to basketball and jeopardy nights, there is a variety of events for all to enjoy.

We understand not everyone will have the availability to make it to our events, so they aren't the only way to show interest. Simply talking to brothers of the chapter to ask questions and expressing interest that way is enough to put you on our radar.
