

MONAT®

Hydrate & Refresh™
& Hydration Booster™

Dear Executive Leaders,

You play an important role in the successful launches of our new products! Please enjoy our latest skin-perfecting products: **MONAT Hydrate & Refresh™ Face Mist** and **MONAT Hydration Booster™ Hyaluronic Serum Plus**.

MONAT Hydrate & Refresh™ is an ultrafine face mist featuring hyaluronic acid and antioxidants derived from superfruits that provides long-lasting moisture and helps protect from environmental aggressors, giving your skin a radiant, dewy, healthy-looking glow.

MONAT Hydration Booster™ is an ultra-hydrating serum infused with pure active ingredients that visibly plumps skin, leaving it feeling supple and hydrated. Use alone or as an added hydration boost to your favorite MONAT Moisturizer.

This powerful hydrating duo is packed with beneficial ingredients such as coconut water, hyaluronic acid, marine algae, vitamin B5 and watermelon extract for that ultra-hydrating feel on your skin.

MONAT Hydrate & Refresh™

HOW TO USE: Hold 8–10 inches from the face. With eyes closed, spray liberally all over face. Apply before makeup to soothe and hydrate, or after makeup as a setting spray. Refrigerate for an extra refreshing sensation.

MONAT Hydration Booster™

HOW TO USE: Fill dropper with serum and apply 3–4 drops morning and evening on face and neck. Apply after cleansing, alone, or as an added hydration boost with your favorite MONAT Moisturizer.

We hope you enjoy!
