

Damage Repair Bond Support Masque

with REJUVABEADS®

Damage, Breakage & Split Ends / All Hair Types /
All Hair Textures / Prep

134 ml e 4.5 fl. oz.

Why you'll love it

This lusciously creamy, coconut-infused reparative masque deeply conditions and treats hair from the inside out. It easily envelops strands for nutritive conditioning—instantly bonding hair while strengthening and repairing.

WHY IT WORKS

- Reduces hair breakage by 95%*
- Hair is 90% smoother* for effortless detangling
- Instantly hydrates hair and increases shine by 50%*

*Based on instrumental tests by a third-party laboratory

IDEAL FOR THOSE WHO

- Want to strengthen weak hair strands and protect from future damage
- Have damaged, frizzy hair that needs moisture
- Want to temporarily repair damage caused by chemical treatments, mechanical styling, environmental factors, or thermal styling

RESULTS

100% agreed the product helps to rebuild bonds for stronger hair.*

100% perceived the formula improves hair elasticity and resistance to breakage.*

100% agreed the product makes hair resistant to breakage.*

95% agreed the product repairs damaged cuticle layers for softer, more manageable hair.*

95% perceived hair as easier to detangle.*

100% perceived hair as smoother.*

*Study consisted of 40 women between the ages of 25 and 55 administered by a dermatologist.

HOW TO USE IT

Use following Damage Repair Bond-Building Hair Treatment. Emulsify in hands and smooth throughout hair. Leave on for 3–5 minutes. Rinse.

HOW TO LAYER IT

Damage Repair Bond Support Shampoo is a Step 1 Prep product and is applied after Damage Repair Bond-Building Treatment. For optimal results, follow with Damage Repair Bond-Fortifying Leave-In Crème.

WORKS WELL WITH

Damage Repair Bond Support Shampoo

A luxurious and lather-rich bond-support shampoo that hydrates, reduces friction, and delivers radiant shine while instantly strengthening and repairing damaged, weak hair.

Damage Repair Bond-Building Treatment

A water-gel serum that acts as a treatment to strengthen and repair damaged hair. Used in place of a daily conditioner, this hair treatment primes tresses to immediately reinforce bonds, improving the elasticity and condition of strands.

Ingredient Overview

MONASOME™ Technology

Inspired by skincare, this proprietary technology delivers both water-soluble and oil-soluble actives into the hair over time, releasing them through regular combing and brushing. MONASOMES™ contains 10 amino acids, 4 magnetic conditioners, and two naturally based moisturizers, including desert date oil.

COCONUT OIL

Delivers superior moisture and helps combat and prevent dryness.

BIO-FERMENTED SUGARCANE (Brassicyl Valinate Esylate)

Sustainably sourced and derived harnessing the power of green chemistry, this naturally based, positively charged ingredient attracts to the cuticle layers of hair for optimal conditioning and strengthening.

REJUVABEADS®

Encapsulated REJUVENIQE® oil that penetrates the hair fiber for optimum conditioning and manageability.

DESERT DATE OIL

Like argan oil, this sustainable vegetable oil from Africa has high amounts of essential fatty acids that contain antioxidants and repairing properties for the hair. Proceeds from the sale of desert date oil support education initiatives in Burkina Faso, Africa.

RED ALGAE EXTRACT

High-performance plant active derived from red algae that forms a protective shield to defend hair from friction and breakage that can occur during the shampooing process.

BLACK SPRUCE BARK EXTRACT

Source of resveratrol (an antioxidant) that helps protect hair from color loss, external stressors, and repeated washes.

VEGETABLE-DERIVED KERATIN

A vegetable-based alternative to animal keratin that helps support hair strength and vitality.

DID YOU KNOW?

Don't forget to masque!

A deeply nourishing hair treatment masque makes a big difference in hair's shine and strength. This is especially important if you have dry, damaged, and frizzy hair. Damage Repair Bond Support Masque envelops strands for nutritive conditioning, instantly bonding hair while strengthening and repairing.
