

# C. Radiance™ Illuminating Serum

BRIGHTENING & ENHANCING

Glow-intensifying antioxidants  
and Kakadu plum

## YOUR DAILY GLOW-TO.

Brightness in a bottle—that's what C. Radiance™ Illuminating Serum delivers. As we age, our skin's natural vitamin C levels are depleted through sun exposure, pollution, and other environmental aggressors. Applying C. Radiance™ daily brightens the skin's outermost layers and boosts collagen production while also targeting:

UNEVEN  
SKIN  
TONE

DARK SPOTS &  
BLEMISHES

HYPERPIG-  
MENTATION

FINE LINES  
AND WRINKLES

LOSS OF  
ELASTICITY  
AND TEXTURE

Silky smooth and supercharged with 15% vitamin C from MONAT-exclusive Kakadu plum complex, **C. Radiance™** delivers powerful antioxidants that brighten and enhance the complexion to create a healthy, youthful-looking glow.

PROVEN EFFECTIVE. IDEAL FOR ALL SKIN TYPES.

97%

of study participants  
said skin immediately  
looks refreshed, brighter,  
and more radiant.

100%

had more luminous skin  
and noticed a reduction  
in the appearance of  
photodamage in 3 days.

88%

saw a reverse in the  
appearance of dark  
spots and blemish  
marks in 7 days.

*\*Based on self-assessments of 32 women in a 2-month study.*

#### HOW TO USE:

Use daily as a  
daytime application  
after cleansing.

Gently press onto  
forehead, cheeks, chin,  
neck, and décolletage.

Allow product to fully  
absorb before applying  
your moisturizer.

*Healthy skin tip: Apply sunscreen 15 minutes before heading outside.*
