Hurricanes recently impacted Florida and Atlantic Canada, and are now moving to other areas in the US. As relief efforts begin, the MONAT Gratitude Foundation is stepping in to help those affected by these storms. We invite our MONAT family to join us in helping to make a greater impact.

From October 1-10, when you purchase the limited-edition More than a Mist by MONAT, 100% of net profits will be redirected to be donated to local organizations in each city to support the hurricane relief efforts.

If you have already purchased More than a Mist by MONAT™, we invite you to contribute through the link below. All donations support organizations on the ground helping with relief efforts.

*Thank you for donating to support this cause!*
