

# DOOSAN PROMOTES TRENA CLARK TO DIRECTOR OF HUMAN RESOURCES

**FOR IMMEDIATE RELEASE**

Buford, GA, May 20, 2021 – Doosan Industrial Vehicle America Corporation (DIVAC) has promoted Trena Clark to Director of Human Resources.

Mrs. Clark is a Certified SPHR (Senior Professional in Human Resources) and joined the company in 2015. Since her arrival, she has led the restructuring efforts of HR from a shared-services model to establishing Human Resources as a dedicated DIVAC function, spearheaded the expansion of the size of the organization by adding talent in several key positions, and acted as part of the strategy team which launched DIVAC's 2018 retail operations in Georgia and California.

“Doosan is very fortunate to have Trena as a part of our team. Her business acumen, vision, and commitment to developing future leaders is at the center of DIVAC's culture. Because of her efforts, we are better poised to achieve our goals for further growth in the industry,” said CEO Tony Jones.

Clark is also recognized as a powerhouse in the community with accolades from the Gwinnett Chamber of Commerce, acting as Chair of DIVAC's CSR committee, and being named a Finalist for two consecutive years in the Chamber's Moxie Awards. As a member of MHEDA, as well as MHEDA's Women in Industry group, her influence in supply chain continues to grow. Clark was a panelist at the 2019 Women in MHEDA conference and has been featured in *MHEDA Journal* as one to watch.

“I am proud to be a part of the Doosan family and very excited about how we will shape the future for our industry through the dedication and innovation of our people,” said Clark.
