

AN UNCOMMON EXPERIENCE IN LUXURY & LEISURE

In addition to the decadent delights awaiting your pet en suite – the sumptuous dog bed, purified water and gourmet treats – your pup will receive one-on-one attention from an

experienced, loving FROLIC caregiver. We understand first-hand how important it is that your furry one be comfortable in a new environment while you are away. And it is our pleasure to ensure their fun and relaxation. Your dog is on vacation too! From neighborhood jaunts and puppy playtime to picnics and ‘furssages,’ your pooch will be sure to get the royal treatment.
